

COME CYCLING

CTC Dumfries and Galloway Member Group

Sunday Ride List: September to December 2013

We welcome all capable cyclists on our Sunday rides. These are typically 40+ miles; usually a bit further in the summer with the longer days and better (!) weather. Given the geographic extent of D&G we encourage riders to join rides part way, or link up with them, or even just join us for lunch and a natter. But please contact the ride leader to check route and logistics.

Please check start times as these can vary, depending on the length on the route.
